Autumn 2008 Exhibitions

Nick Fisher

12 September – 25 October 2008

Nick Fisher is a photographer whose professional life affords him the opportunity to travel the globe capturing the beauty of the world around him. Nick is fascinated and moved by the cycle that objects go through, from being totally indispensable to totally redundant. Their everyday wear and tear changes them. This patina tells a story. His exhibition will include a selection of photographs from his "Retail" Gallery, taken over a period of nearly 40 years.
